## INTRODUCTION

This document provides information and rules for candidates who have booked examinations in March 2024. Candidates should read this document before taking the IFE examinations. They should familiarise themselves with the rules set out below and should ensure that they are aware of their own responsibilities.

## PREPARING FOR EXAMINATIONS

Candidates are responsible for:

- knowing the correct date, time and location of their examinations
- making their own travel arrangements or ensuring they have a suitable space to sit their exam, free from other people, noises, interruptions and distractions
- ensuring that they have relevant examination booking information (including any confirmation emails relating to reasonable adjustments)
- ensuring that they have photographic identification to take to their examination centre or online examination
- payment of any additional fees charged by their branch/the examination centre
- familiarising themselves with the examination format
- ensuring that they have a suitable device to sit their examination on (online examinations only)

**Examination Timetable:** The March 2024 examination timetable is available on the *March 2024 Examinations* page of the IFE website (in the section for Qualifications). A copy of the timetable is provided at the back of this booklet.

**Booking:** The IFE will acknowledge receipt of Examination Booking Forms and will progress examination bookings as per the information provided on the form. Candidates are advised to commence study (if they have not already done so) as soon as they submit their Examination Booking Form.

The IFE will progress examination bookings as per the information provided on the form and candidates will receive an email once the booking has been processed.

**Centre Information:** Centre information will be provided via the link on the March 2024 page of the IFE website. This information will be updated over the period from 1 September 2023 as centre information is made available to the IFE.

**Final Booking Summary:** Candidates should receive a final summary of their booking during the w/c 12th February 2024. The summary will provide details of the booking that has been made along with confirmation about the examination centre and a link to this document. The summary will be provided by email and candidates are advised to ensure that they have provided the IFE with an up to date email address.

If candidates have not received their summary information by 16th February 2024, they should contact the IFE (if they booked directly with the IFE), their Branch Manager (if the booking was made via the branch) or their employer (if the booking was made via their employer).

If you have booked to sit an examination online you will receive details on how to access your examination by the date mentioned above.

**Reasonable Adjustments:** Candidates who have requested alternative assessment arrangements through the IFE's Reasonable Adjustment procedures will receive information from the IFE (or their examination centre if they submitted their application via their centre) about the arrangements that are acceptable and that have been agreed with their centre or online examination if appropriate.

**Examination Format:** Candidates are advised to review the examination syllabus and past papers/sample questions on the IFE website so that they are aware of the examination format and requirements.

Candidates should also read the Candidate Guide which is available on the *Preparing for Examinations* page of the IFE's website. This guide provides information about instructions used in examination questions, common errors and the level of difficulty of different qualifications.

**Suitable devices:** candidates need to ensure that their screen is big enough for them to comfortably read from whilst keeping the device completely still (tablets are often NOT suitable for this reason). Candidates also need to ensure that they are able to download

[Google Chrome](#) and the [remote invigilation add-on](#). You will not be able to sit your exam without both of these.

## **ARRIVING AT THE EXAMINATION CENTRE**

- locating, and travelling to if applicable, a suitable examination location that will allow them to adhere to the examination rules

However, no extension of time at the end of the examination will be given. After 30 minutes, candidates will not be permitted to enter the examination room. Examination fees will not be refunded where candidates who arrive late are not admitted.

For online examinations: candidates will be able to enter the online examination after the examination start time, however no extension of time at the end of the examination will be

given. Examination fees will not be refunded where candidates who arrive late are unable to complete their examination.

**Examination materials:** Candidates must bring their own pens, pencils and drawing instruments (ruler, pencil, etc.). Candidates may use their own basic calculators in examinations. Calculators must conform to the following criteria:

- silent in operation
- operated by batteries
- storing no information except that provided by the manufacturers for the calculator to perform its normal functions. **(Note: smart watches and mobile telephones must NOT be used as calculators and these items must not be taken into the examination room.)**

All other materials including answer books, lined continuation paper and graph paper (as needed for the examination) will be provided by the invigilators.

For online examinations: other than the device being used to sit the examination, no other materials may be brought to the exam. Any unauthorised materials brought to the examination would constitute malpractice. e.g. Smartphones, smartwatches, calculator, pens, paper/notepad, textbooks/course materials. An on-screen calculator will be provided for you if applicable.

**Reasonable adjustments:** Candidates who have dyslexia or other disabilities/illnesses and who require adjustments to standard arrangements should already have applied to the IFE and will have received confirmation from the IFE as to the arrangements that will be permitted. The examination centre will have been advised by the IFE of any arrangements that have been agreed. In this case, candidates must arrive 40 minutes before the start of the examination and identify themselves to the Examination Centre Manager or one of the invigilators. (Not applicable to online examinations).

Candidates should note that they must apply for reasonable adjustments for **each** examination where they wish to have access to alternative arrangements.

Centres will not be able to make arrangements for candidates on the examination day unless these arrangements have been pre-agreed with the IFE and the candidate presents the relevant confirmation from the IFE. This also applies to online examinations.

**Temporary illness or injury at the time of the examination/taking medication during an examination:** Candidates should arrive 40 minutes before the start of the examination so that they can provide relevant information to the centre manager and discuss any issues

that arise. A note will be made of the situation. Situations requiring changes to examination conditions must **always** be referred to the IFE. For online examinations, please see Deferrals and Applying for Deferrals Procedure.

**Candidates are not permitted to bring cases, bags, books, notes, mobile telephones, smart watches or any other unauthorised items to their desks in the examination room.** Personal items may be left at the back of the examination room (or in another room) at the discretion of the invigilators. Candidates should note that taking unauthorised materials/items into the examination will result in disqualification.

**Concerns about an examination question:** If candidates have queries or concerns that there may be an error in an examination paper, they should query this with an invigilator by raising their hand during the examination. Where appropriate, the invigilator will contact the IFE to seek advice. The invigilator will note the concerns raised in their Invigilation Report. (Not applicable to online examinations).

Candidates who continue to be concerned about the content of the examination paper (e.g. an error in a question or a question that does not appear to be within scope of the published syllabus) should email the IFE immediately after the examination – [exams@ife.org.uk](mailto:exams@ife.org.uk)

**Feedback on the examination process:** Candidates who have a grievance about the conduct of the examination should bring this to the attention of the Examination Centre Manager or the Senior Invigilator after the session is finished and before they leave the site. The details of the complaint will be noted on the Invigilation Report. Candidates should read the notes made and sign the report to confirm agreement with what has been written. Alternatively, candidates may contact the IFE Examinations team directly at [exams@ife.org.uk](mailto:exams@ife.org.uk). All grievances/complaints will receive careful attention.

### **FAILURE TO FOLLOW THE IFE EXAMINATION RULES**

Any act that is a breach of the examination rules and arrangements specified by the IFE and which confers an unfair advantage constitutes malpractice. The IFE is committed to maintaining the integrity of the examinations and to ensuring that all candidates experience equitable assessment conditions.

Candidates should be aware that the IFE will investigate and follow up **all** cases of suspected malpractice. Where justified, this will result in the candidate(s) concerned being disqualified.

In the event of malpractice by candidates (improper conduct/disregard of the rules) being identified in the examination process, the Examination Centre Manager or the Senior Invigilator will record the circumstances in the Examination Centre Invigilation Report. Candidates will be advised that they will be reported to the IFE; in some cases, candidates will be allowed to continue the examination if they wish to do so but in extreme circumstances candidates may be excluded from the examination.

Further information on Malpractice and the IFE's procedures is available on the IFE's website – <http://www.ife.org.uk/Qualification-FAQs>

## **SPECIAL CONSIDERATION**

Candidates who experience unexpected problems or medical issues on the day of the examination that affect their ability to perform to their usual standard in the examination may apply for Special Consideration.

Special Consideration is the process by which the IFE and the examiner team review the candidate's situation and the supporting evidence submitted by the candidate in order to determine whether or not a candidate has been adversely and unfairly affected and therefore whether compensation should be applied in determining the candidate's mark for the examination. Special Consideration is applied only in exceptional circumstances.

Information on special consideration and the application process is available on the Policies and Procedures page within the Qualifications section of IFE's website - <http://www.ife.org.uk/Qualification-FAQs>

## **NON-ATTENDANCE**

Candidates who are unable to attend the examination as planned will be marked as absent on the attendance register. As advised in the Terms and Conditions for Examination Candidates, the IFE does not refund examination fees where candidates do not attend the examination(s) that have been booked for them. If candidates wish to take the examination(s) at a later examination session, they must submit a new booking form to the IFE and follow the standard process for making a new examination entry.

In some exceptional circumstances where candidates are unable to attend the examination due to severe and unexpected circumstances outside of their control, the IFE will arrange for a deferral of the examination(s). Candidates should note that a fee will be payable where deferral arrangements are agreed. Requests for deferral arrangements must be made in writing, using the form provided by the IFE and should be emailed to: [exams@ife.org.uk](mailto:exams@ife.org.uk). Requests must be supported by relevant documentation. All requests relevant to March 2024 examinations must be submitted by **19th April 2024** at the latest.

## **RESULTS**

Results will be made available to all candidates via their MyIFE account. The IFE is not able to give results over the telephone.

The timetable for the IFE to put candidate results for the March 2024 examinations on to MyIFE is as follows:

Qualification (and Units)	Results to be issued to candidates by:
Level 2 Certificate in Fire Science, Operations and Safety Level 2 Certificate in Passive Fire Protection Level 3 Certificate in Passive Fire Protection Level 3 Certificate in Fire Science, Operations, Fire Safety and Management (all units) Level 3 Certificate qualifications – all subjects other than those listed above Level 3 Diploma in Fire Science and Fire Safety Level 4 Certificate qualifications – all subjects Level 4 Diploma in Fire Science and Fire Safety	10th July 2024

The IFE will update the March 2024 Exams page of the IFE website after the results have been issued to candidates.

Successful candidates will have access to download an appropriate certificate within two weeks of the results date from their MyIFE account.

Where candidates are entered by their Local IFE Branch or by their employer (e.g. Fire and Rescue Service), a copy of their results will also go to the person who submitted the booking on their behalf.

Candidates are responsible for:

- advising the IFE promptly if they change email address after submitting their examination booking; failure to notify the IFE of changes in email address will result in results being sent to an incorrect address and subsequent delays in receipt of results.
- notifying the IFE if they do not receive their results within a reasonable time from the date that they were posted. Note: If candidates do not notify the IFE within 6 months of the date that the results were posted, there will be an administrative charge for re-issuing the certificate.

Candidates should note that their results will show the grade/result achieved as specified in the published syllabus e.g. candidates taking the Level 2 Certificate examinations will receive either a Pass or a Fail result.

Where candidates are required to pass four examinations in order to achieve a specific qualification (i.e. the IFE Level 3 Diploma in Fire Science and Fire Safety, the IFE Level 4 Diploma in Fire Science and Fire Safety or the IFE Level 3 Certificate in Fire Science, Operations, Fire Safety and Management) the IFE will automatically issue the full qualification certificate when four components have been achieved within the five year timeline.

## **RESULTS ENQUIRIES AND RE-MARKS**

Candidates may contact the IFE in the first instance if they wish to query the mark that they were awarded. The IFE is unable to accept queries of this nature by telephone so all requests must be made by email and all responses from the IFE will be via email. Requests should be emailed to: [exams@ife.org.uk](mailto:exams@ife.org.uk)

Candidates may submit a request to have their paper(s) re-marked. Please see the “Enquiries about Examination Results and Re-marking Procedure” and relevant information on the IFE website for further information about the process.
